### REMARKS

The foregoing documents relate to holders for name badges. U.S. patent Des. 300,988 is a design patent which is believed to be directed to the appearance of the CLICK! CASE® Badge Case shown on p. 64 of the PC/Nametag catalog referenced above. The other documents cited above show products which have been on the market in the United States prior to the filing of the present application and which are acknowledge to be prior art to the present application. The photographs show a Badges DM Laser plastic badge holding tray. It is believed that this product has been sold with a separate cover which is not otherwise connected to the badge holding tray.

It is thus requested that the foregoing documents be considered during examination of the accompanying application and be specifically made of record therein.

Respectfully Submitted,
